

Office Products Manufacturers and Distributors in China

To be published March 2008

MPA International is delighted to announce the forthcoming publication of its new title, *Office Products Manufacturers and Distributors in China*. As China is emerging as a significant industry in the global office products market, this directory lists key manufacturers and distributors involved not only in the Chinese market, but increasingly in the global market. This publication is the result of three months primary research during which all listed companies were contacted and interviewed by native analysts.

This directory contains over 100 manufacturer and distributor profiles based on the following structure:

- Contact details
- Ownership
- Number of employees
- Annual turnover
- Sales by product category
- Brands
- Details of sales offices
- Descriptive overview of the company
